Dated 9th December 1918.

Notice is hereby given that sealed tenders will be received up to 5 P.M. on the 1st March 1919, for the supply of the undermentioned articles for the use of North and South Banks of the Krishnarajasagara Works, from 1st March 1919 to 30th September 1919.

2. The approximate estimate of quantities is given against each item in the list.

3. Tenders should be submitted in the printed forms, which may be obtained from the undersigned's office, and it should be accompanied by a list, in the form given below, showing the rates for the different items tendered.

4. Each tender must be accompanied by a deposit of Rs. 500 as earnest money, and be superscribed "Tender for the supply of explosives" in default of which the tender will be rejected. The earnest money of the unsuccessful tenderers will be refunded.

5. The final acceptance of any tender will rest with the Chief Engineer, who does not bind himself to accept the lowest or any tender or assign any reason whatever for the rejection of any tender.

6. The name of the successful competitor, whose tender has been accepted, will be pasted on the notice board of the undersigned's office and intimated to him in due course. No enquiries regarding the acceptance or rejection of a tender will receive attention.

7. The rate tender of each item shall include cost of delivery free on rails at French Rocks, Madras and Southern Mahratta Railway and at Belagula Station, Mysore State Railway.

8. Orders will be placed with the successful tenderer, as the articles are required and the supply of an order in full must be completed within three weeks on receipt of the order, failing which the unexecuted portion of the order will be cancelled, orders placed elsewhere and earnest money deposited by the successful competitor forfeited, as a penalty for the non-execution of the order in full.

9. In quoting rates for each item, the manufacturing company's name should be noted.

Y. ASVATHANARAYANA RAO,
Superintending Engineer.

KOLAR DIVISION.

NOTICE.

The attention of the public is invited to the notification published in the *Mysore Gazette* dated 5th December 1918, Part IV, pages 1065, 1066 and 1067 giving a list of works that are in progress in the various taluks of the division.

Dated 4th December 1918.

Notice is hereby given that sealed tenders will be received at the Office of the Executive Engineer, Kolar Division, up to 4th of January 1919, 12 noon, for reconstructing an old block of the Barr Lines at Kolar. An approximate estimate of quantities is given below. These quantities are not guaranteed. The work should be completed by the end of December 1919.

2. The plans, detailed estimate and conditions may be seen at the Executive Engineer's Office at Kolar, between the hours of 11 A.M. and 5 P.M.

3. Tenders should be submitted on printed forms which may be obtained from the Executive Engineer. The tenders should be accompanied by a statement in the form given below, showing the rates at which the different items specified will be executed.

4. Each tender must be accompanied by a deposit of Rs: 500 in cash or Government Promissory Notes, as earnest money, and be superscribed "Tender for reconstructing an old black of the Barr Lines at Kolar," in default of which, tenders will be rejected.

5. The final acceptance of any tender will rest with the Chief Engineer to the Government of Mysore who does not bind himself to accept the lowest or any tender or to assign any reason whatever for the rejection of any tender.

6. Within eight days of the acceptance of the tender, the successful competitor will be required to execute the usual contract bond; in default of which his tender will be considered cancelled and his earnest money will be forfeited.

7. The name of the successful competitor, whose tender has been accepted, will be posted on the notice board in the Executive Engineer's Office in due course. No enquiries regarding the acceptance or rejection of a tender will receive any reply.

8. On acceptance of one of the tenders, the earnest money on rejected tenders will be returned.

9. The work should be executed as per specification.

10. All materials available from the old lines building or supplied by Government will have to be taken by the accepted tenders at rates fixed by the Executive Engineer.

Approximate estimate of quantities for reconstructing an old block of the Barr Lines at Kolar.
